## PROJECTS

---

### **Alpha Academy Website**

April 2023 - Feb 2024

- As the Team Leader for the Alpha Academy Website Project, I led the UI/UX design and technical aspects, ensuring a seamless visual and interactive experience. My responsibilities encompassed UI/UX design, CSS development, team collaboration, and project management, with a main focus on integrating code from team members.

### **PSPA Website**

Sept 2023 - Feb 2024

- As an Assistant WordPress Developer on the PSPA Website Project, I played a crucial role in shaping multiple pages and designing them with CSS. My responsibilities included WordPress and CSS development, showcasing my versatile skills.

### **Adventour Website**

August 2023 - Present

- As a Frontend Developer for the Adventour Website Project, I crafted the visual and interactive user experience, serving as both UI/UX Designer and Developer. My role blended design and technical expertise, shaping the project's look and feel while enhancing user interaction. Key responsibilities included UI/UX design, CSS development, team collaboration, and project management.

### **Gadchiroli Tourism Website**

June 2023 - Present

- In the Gadchiroli Tourism Website Project, I served as Co-Lead and Frontend Developer, pivotal in designing and developing the user experience. Wearing dual hats as UI-UX Designer and Developer, I shaped visual aesthetics and interactive elements. Responsibilities included defining appearance, functionality, and ensuring a seamless user experience through design and technical aspects. Key skills: UI/UX Design, CSS Development, Team Collaboration, Project Management.
